Sustainable and individual promotion gifts - These are our promotion ideas for growth from nature!

In our rich portfolio you will always find a **natural promotional item** in order to emphasise your promotion message in a sustainable way. Just like your business relations, our plants will grow steadily. **Sustainability** is very important to us, so the grown aromatic herbs will not only be used in cooking but the containers will be given a second life.

In this way, we always strive to conserve resources and make an active contribution to environmental protection. Your **ideas** and our **advice** will thus form a successful promotional gift.

Discover the world of our products and our „vegetable“, „sweet“ and „creative“ ideas as well as concerning the issues luck, football, heart, wellness and Easter Time.

Gratify your customers at Christmas with particular gift ideas as our living Christmas trees, that can be personalised and sent by mail in individual packaging. You will find even more attractive gifts for every budget in our *Christmas Ideas House* from July 2024.

**Take advantage from our experience and allow us to inspire you!
We look forward to your enquiries and are happy to help!**
